Re: Himco Superfund Site

Dear Mr. Nash:

I received your letter earlier today responding to my November 3, 1992 letter. I did not mean to suggest that we had been waiting to receive information from you since October 10, 1992, I simply wanted to advise you that we had been attempting, through informal channels, to obtain this information. I hope this clears up any misunderstanding.

We appreciate your commitment to provide any information as soon as possible. If you have any questions or comments, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in dark ink, appearing to be "Reed S. Oslan", written over a faint, circular stamp that contains the name "Reed S. Oslan".
